Lucy Belle

When Lucy's man goes to work, she likes to lay around and play with herself. She really loves fingering her pussy. This morning her guy forget his wallet and walks in on Lucy while she is playing with herself. He never knew she did this when he leaves. Lucy convinced him to stay a bit and replace her fingers with his big hard cock. He missed going to work at all today.

Jasmine Black

Guys will approach me in the clubs because I like to wear really low cut dresses and my boobs are just about all exposed. I'll put some body shimmer on them so when the lights catches them, they sparkle. I make sure that I bend over a lot and adjust them as the night goes on. If that isn't enough to get a guy's attention, then nothing is.

MOTION IN THE OCEAN

Vincent and I booked a nice sailboat for a week in the Bahamas. He and I split the tab on the boat rental and thought it would be a fun way to spend the week. We didn't have to pay for hotel rooms since we could sleep on the boat. Best decision we ever made. In Nassau, we hit all the bars the first couple nights, and soon got into a crowd of other vacationers hanging out in town.

For the most part, it was the usual stuff, out drinking together, all day by the beach, tanning, a few rounds at the beach bars, etc. Our favorite place turned out to be Señor Toads. It was a fun place with both locals and tourists. We met couple local ladies our second night there and hit it off. They were good friends who also were vacationing back at home since they worked in Miami. Noel had a great figure, big boobs, lovely butt. And the one that I really had the hots for, Virginia, was really pretty with honey colored hair, perky boobs, and a very bubbly ass.

They were both great to be around and we four came to be a bit of an item on the beach. They looked amazing in bikinis and even better when they sunning on our boat. One night the girls said they wanted to go to a dance exhibition for Nassau-type booty shaking and twerking. Vincent and I stayed on the boat, having gotten pretty wasted and sunburned during the day. Vincent was worse off than me and passed out on his bed. I had stripped off my clothes and rubbed some soothing lotion on to reduce the burning sensation.

I was laying on my bed listening to music when there's a knock on the cabin roof. I pulled on my shorts and went up to see Virginia looking fantastic in her little party dress. "We're having a deck party. Wanna come, you and Vince?" she asked. I said sure but Vince was out of it. "No problem." she said, took my hand and pulled me around the side of the boat to the bow where Noel must have laid out some tanning mats. "Where's the party?" I asked, at which the two giggled, "We're it!"

For a minute, I stood there until Noel got up off the mats and started to slowly gyrate as the waves made the boat lightly roll. Then Virginia pulled me over closer to them and we all swayed together. My dick was hard in ten seconds and very noticeable

She whispered in my ear not to be afraid, open my hand and feel her pussy lips as if they were mine.

in my board shorts. Then, together pushed me onto my back on the mats.

Virginia sat leaned over me and started to kiss the face off me. I could smell sweet alcohol on her breath, but then I felt my shorts being pulled off and my dick springing up. As Virginia kissed me, Noel took my manly rod all in her mouth. I took Virginia's dress off and was kissing and fondling her fantastic boobs. She moaned and groaned, all the time Noel was sucking and deep-throating me real good, sucking my balls, licking my shaft, flicking her tongue up and down it. I realized I was close to cumming when Virginia sensed this by my moaning and sucked and pinched my nipples.

This sent me over the edge and just as I started to cum, Noel fingered my ass. Lengths of cum shot out and into Noel's mouth and onto her lips and cheeks. We lay there for a short while I recovered. Then they pushed me off the boat and jumped in totally naked. We splashed around and I finger-fucked them both to climax. I was rock-hard again. "To the dock." I said, and we all climbed out of the water. We laid on the boards and I got on top of Virginia, pulled her legs over my shoulders, and slid my cock in deep. She squealed and moaned as I fucked her hot pussy. I felt Noel get behind me and she reached under and grabbed my balls and kneaded my ass, occasionally slipping a finger into my pucker back there. Meanwhile, I was doing my best to concentrate on fucking Virginia.

Noel pulled me off her friend and said it was her turn before I came again. She got in front of me on her knees and Virginia slipped under her in a 69. I puck my cock in Noel and could feel Virginia's hot breath on my sac as she was eating out her friend. I felt her tonguing my balls as I fucked Noel hard until it seemed like we all came at the same time. We went back down the dock to the boat and crawled into the beds in the cabin.

In the morning Vincent was up first and when he saw the three of us crawl up on deck, he guessed what we had been up to. A little later in the morning, Noel gave him a sympathy fuck as Virginia and I were in the other bedroom doing our own thing together. We spent the last two days of our vacation sailing, sunning and screwing as often as we could. In the end, it was an amazing holiday to remember; and lucky for us, the two ladies said they'd cum to visit.

– Vincent and me, flying back to Atlanta

YOU'RE NOT HIRED

For the past two weeks,I've been interviewing prospective hires for this new position we've recently set up - Director of International Communications. We've been looking for a poly-lingual person to handle our recent European expansion. Most of the interviews have been with men, but the women held their own. But I just haven't been able to pin it down to a specific person, until Sophie walked into my office.

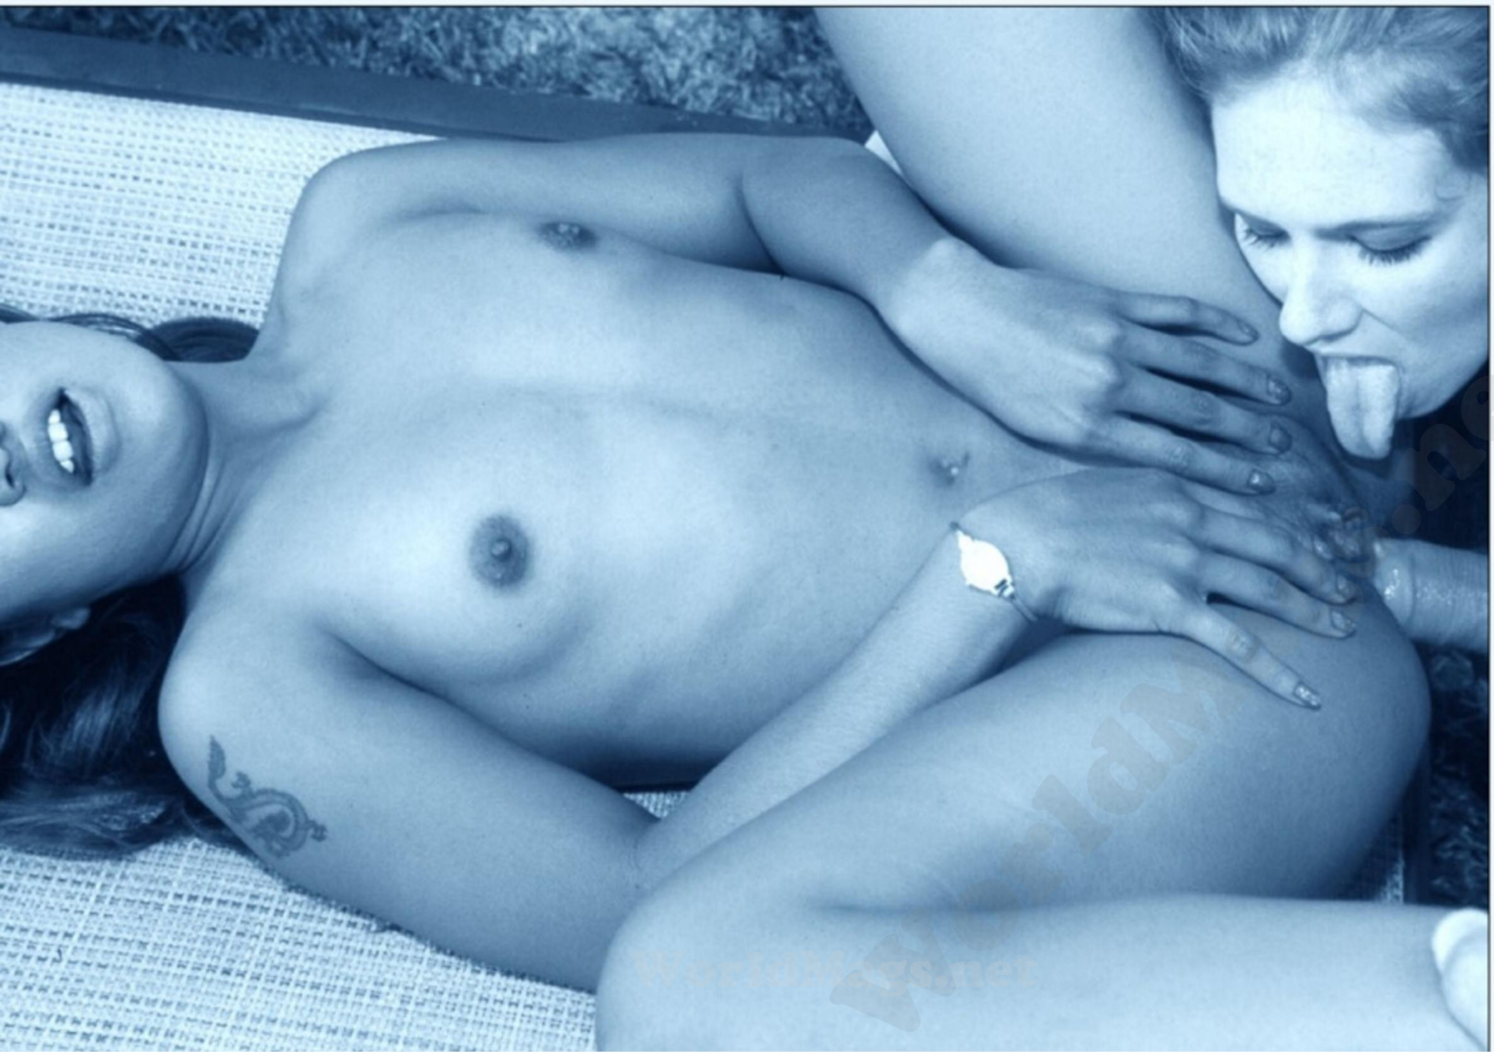
When Sophie first entered, I didn't know quite what to expect. She said she was born in France of U.S. military parents, but spent most of her time in the States. She graduated from The Sorbonne and Georgetown University – impressive, I thought. While her academic credentials were exemplary, she didn't have much management experience. At 26 I thought she still needed a few years. So I asked her why she was interviewing with admittedly little managerial experience.

In a slight French accent, Sophie said she was very aggressive, just the right skill to get things going. I asked, "How so?" and she got out of her chair, went to my door and locked it. I was shocked. She returned and said she was going to display her skills on my couch. I began with the usual resistance but she pulled me over and stood in front of me, looking me straight in the eyes.

She took my hand and put it on her breast while hers went to my crotch. Then she blew my world open. I didn't know how far this was going to go, but I had to see it through. She took the lead and went down on me and sucked me for a few minutes. Then she pushed me down on the sofa and lifted her skirt to sit on my face. My tongue instinctively licked her clit and I got her pussy juices flowing into my mouth as I made her cum first. Then I rode her face until she made me cum which made me arch my back and almost fall off the couch.

But she wanted more and so did I. Before I knew it, she was making me cum again as her tongue and fingers pleasured my cock like a woman possessed. I had to return the favor then, I was still turned on after my amazing two orgasms so I made her cum once more in the soixante-neuf (69) position. We got up and she took a lacy hankie from her briefcase and swiped her mouth, then mine. We quickly got dressed and she looked just like she first walked in. I can't see hiring her for the job, but she gave a very convincing interview.

– Bill E., still looking for the right candidate



Jennifer & Lucy

Lucy and BFF Jennifer Love were visiting Los Angeles from Minnesota. They were not ready for the warm climate and still feeling a bit cold. They met a couple guys at a local bar and went back to their place. They were looking for a good time and the guys were more than helpful in giving them one. Fortunately for us, we were there too – with cameras.

sex is like a picnic

We agreed to meet at a local coffee spot and see how things went from there. I got there before Amanda and was already sitting at our table when she arrived. Just like her photo, she was gorgeous. She said she was really unhappy at home and was just looking for a tryst. A romantic affair with no need for a relationship. She was tall, toned and tanned with legs that seemed to go on forever. Her breasts seemed absolutely perfect and all real. I imagined that I could taste her sweet nipples, sucking and lightly nibbling just enough to make her moan for more. Her blonde hair just barely brushing her shoulders. The blouse that Amanda had on was a soft lavender that offset her skin color perfectly. The blouse was just thin enough that I could see the outline of her lacy bra underneath. And her lips, perfect to wrap around my thick eight inch cock which by now was definitely waking up from a nice slumber. What could possibly be going on at home that she was looking to hook up. I really didn't care.

Where we live, when it gets dark, everyone goes inside. So we went to the park and were walking around just talking and enjoying the night. I took Amanda to the edge of the walk path where there was a picnic table and bench and helped her to sit down. I then took her face in my hands and ever so slowly lowered my lips to hers. At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants. I could feel Amanda running her hands along the top of my thighs. She was moaning from anticipation and the feel of her hand on my very hard member felt like electricity shooting through my body.

I reached up and felt her breasts through her blouse. She helped me to ease her bra off. Not wanting to seem too over eager, I lightly brushed my lips and tongue over her hard nipples. I got so lost in the feel of her hand on my cock and my mouth on her tits that I didn't realize she was guiding me down to lie on top of the picnic table. I lay on my back and she fed her nipples back into my mouth, all the while unzipping my pants freeing my now very stiff and cock. Amanda helped me slide my pants down around my knees and she began to kiss and suck me through my boxers. My cock was so hard that it was peeking out over the top of my waist band of my briefs. She leaned over to flick her tongue along the head and once again I felt electricity rush through my body.

She slid my briefs down to meet my pants at my knees, leaving my cock free to her inspection. After staring at my cock for a couple of minutes, she said a little worriedly, "I really don't know if I will be able to get you inside of me." I asked her why she would think that and she said, "Because the largest cock I have had was no where near as big around as you are." I told Amanda not to worry, it would definitely fit. Amanda gave me a look of disbelief and asked, "Will it fit in my ass too?" Now this blew my mind as I have never had a woman just straight out make a point of saying

that they would like to have my cock fill their ass, so I asked, “Is that what you want?” Amanda only had eyes for my tool and was staring at it. I assured her that we could try and if it got to be too much for her then we would stop and she seemed pleased with that answer. Of course, my mind was imagining just taking my cock and ramming it deep inside of her while she moaned with pleasure and begging me for more.

Amanda began running her tongue all over my cock, flicking her tongue over the head and then to the back. She slowly took one of my balls into her eager mouth and began sucking on it too. Then she took it deep, her pretty mouth stretched wide around my stick. I ran my hands through her hair and started moving my hips to the rhythm of this great sucking. She had all but about an inch in her hot mouth when I felt the first stirrings of spunk trying to rush up through my shaft into her waiting mouth.

She must have realize that I was about to cum because she clamped down tighter on my cock and forced the whole thing into her mouth, burying her chin in my balls. I was about to cum and she started to pump my cock faster, her head bobbing up and down faster and faster. My hips were thrusting harder and harder. Just when I couldn’t take it anymore and knew that I was going to cum, I jumped up which caused her to sit on top of the picnic table.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things to my balls. She never missed a drop. I shot stream after stream of hot jizz into her waiting mouth and she kept swallowing. When I had finally finished, I pulled out and looked at Amanda. She just smiled and said she wanted to have her pussy eaten really good but more than that she wanted to try and get my hard cock into her ass. Not one to turn down a woman such as this, I definitely agreed, but only after I had gotten her good and wet.

After helping to ease her out of her panties, I buried my face between her beautiful thighs, the heavy aroma of her sweet pussy tickling my senses. I slid my first finger lightly down the crack of that beautiful ass all the while letting my spit and her juices create a lube worthy of any good ass fucking. I found the opening of her hot little brownie and let my fingertip slip in ever so slightly. I didn’t feel any resistance so I slid it in a little more. Amanda pushed back against my finger causing it to slide in even further, all the way to the last knuckle. Damn, this hot woman was fucking my finger – and my face like there was no tomorrow.

Her pussy juices began pouring out of her, drenching my face and hand and running down her ass crack. I couldn’t help thinking that this was the time. I asked if she was ready – and she said she was more than ready. She said she wanted to

She must have realize that I was about to cum because she clamped down tighter on my cock...

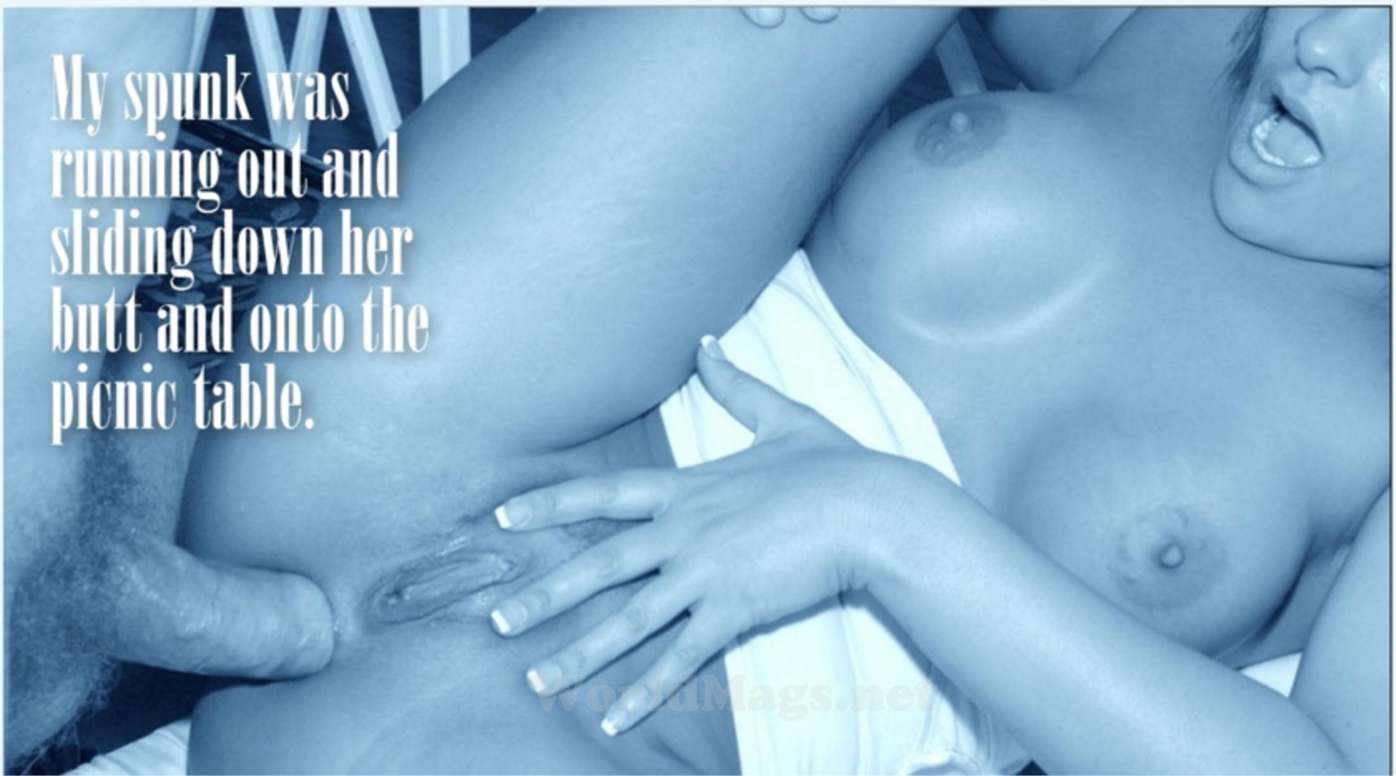
lie on her back and put her feet up over my shoulders, that way she could play with her button while I was fucking her ass. This sounded great to me, so I helped her to lie down and get comfortable, at least as comfortable as could be on a picnic table.

I took my cock and ran it all over her pussy and ass, getting it good and wet so that I wouldn't cause any more pain than absolutely necessary. While running my cock against the opening of her pussy, I couldn't help but let it slip inside. Damn she was tight inside. Moaning and squirming like she was, I knew that I wouldn't be able to hold out for very long. I kept pumping my cock in and out of Amanda tight honey hole, more juices were running down her legs, getting me more lubed up. About that time she took matters into her hands by grabbing and taking my cock out her. She lifted her hips to meet the head of my cock. By doing this, she pushed it in about a half inch. She then looked at me so I drew up my knees, lifted her ass up a little higher, and buried my cock all the way in her ass. I heard Amanda let out a deep guttural moan. I asked her if she was alright and she nodded that she was. She then started rocking her hips causing my cock to slip in and out of her.

Amanda was getting so turned on that she began to scream out telling me to go harder and faster. I was fucking this hot piece of ass like it was a pussy, hearing my balls slap against her cheeks. She began to cum, her love juices pouring out of her. My orgasm was building to an intensity that hadn't been matched in a long time as told her I was ready to cum. Amanda grabbed my ass cheeks, pulling and holding my cock deep inside her butt. Then she whispered to fill up her ass. I began to pump even harder, barely able to restrain myself when I felt the first streams let go. For six long, deep jerks, my cock shot full force into her ass. I felt her body tremble at the sensation, so I added a few more just for good measure. Undeniably, this was my best cum ever.

After a minute, still inside her ass, my cock started to soften and slowly plopped out of her ass. I looked down at the battlefield to see her opening was still stretched from the good fucking that she had just received. My spunk was running out and sliding down her butt and onto the picnic table. She reached down to her butt and ran her fingers through my cum and began to rub it all over her ass and pussy as I put my cock back in my pants and zipped up. We got cleaned up the best we could and headed out of the park. I offered Amanda a good hot shower at my apartment and she agreed.

As we were on our way, Amanda asked me if I had ever thought of having two women and I told her, "Sure, what man hasn't. But I have never had the opportunity." My mind was spinning at the possibilities. Amanda looked at me with a devilish gleam in her eyes and then said and said, "Just wait and see what I have in store for you, then."



My spunk was running out and sliding down her butt and onto the picnic table.

Mia Leone

My damn kitchen sink is plugged up again and I need some hunky guy to fix my plumbing. So I called a local agency who sent me over a dude that didn't even have a tool kit with him. But he did have quite the tool and he ultimately fixed my indoor plumbing. Now everything works better and I can get on with my day. Thank you mister handyman guy.

Haylee Le

Sexy Haylee likes to be in charge. She likes to show off her sexy body in the sexiest of lingerie. Fortunately for us, that doesn't stay on very long, especially when a long hard dick confronts her. She also likes to try several different positions when she's in a fuck session, so her partner better be ready to keep it hard all day. If he can, she'll let hum cum on her.

Allison & Tyler

Watch our two lovely ladies enjoyed a day of fondling and pussy eating. At first, all starts off slow and sensual, but our lovely big-chested brunette became extremely excited while kissing her lover's chest. Then it's down to the more private areas of her lover's body. She wanted to taste her friend's pussy and pressed her face into that shaved pussy and licked her dry.
